# Vacation Camp Payment Agreement

Dear Parents/Caregivers,

Please be advised that we have new guidelines in place for Vacation Camp for those participants receiving DSS benefits. Please understand that we have staff and supplies in place for the number of children that are registered for each day of Vacation Camp. When participants fail to attend, it results in overstaffing and an excess of supplies. Additionally, the Department of Social Services will not pay for any days that children do not attend. Therefore, we must institute a new policy with regards to Vacation Camp days. If a child fails to attend a Vacation Camp day for which they are registered, the parent or caregiver will be responsible for providing the payment for the day that was missed. This payment must be received before the child can return to any following Vacation Camp days. If for any reason your child can not attend a Vacation Camp day, you must inform the YMCA before registration closes for that day. After registration closes, you will be responsible for payment for any missed day. Perpetual absences on Vacation Camp days will result in your child being unable to attend future Vacation Camp days. Please sign below that you have read and acknowledge this payment agreement. Failure to complete this form will result in an inability to register for Vacation Camp.
