SAFE AFFORDABLE DIVERSE

Serving Presidential Park Elementary School At The Center For Youth Programs

Keeping children actively involved throughout the day reduces the risk of them getting involved in inappropriate behaviors and promotes positive personal growth and social development. In our licensed school aged child care program children have the opportunity to choose from a variety of activities to suit their individual interests including arts, crafts, team building, active play, community service projects, homework and game time. Our staff provides a supervised, nurturing environment striving to incorporate the YMCA's Core Values of **caring, respect, responsibility & honesty** while encouraging good sportsmanship, positive self-esteem along with the mutual respect for others.

All of our Middletown Club Kid Programs will be held at The Center For Youth Programs located on Liberty Street. Both morning and afternoon programs are offered as well as extended day until 6:30pm. The children are bussed both in the morning and afternoon to and from their respective schools.

This program follows the **Middletown School District's** calendar and only operates on days that the schools are open.
