**B&B 45:** This 45 minute interval class, combining bodyweight and resistance band exercises, is a full body workout that will help increase strength, endurance and flexibility. All fitness levels welcome.

**Barre Core Fusion:** Use your body's weight as resistance to sculpt, strengthen and lengthen with little or no impact. **BCF** combines small and large ranges of motion with isometric holds and deep stretching with the core strength focus of Pilates to create a long, lean, centered body. **(Pass required)**

**Base Camp Bootcamp:** 30 minute class that utilizes the hydraulic strength equipment with alternating cardio and core exercises. Designed to be a continuous workout to improve strength, endurance and flexibility. Geared toward the beginner, but all fitness levels are welcome.

**Beachbody Bingo NEW:** Change, challenge and condition your body by using any one of 4 Beachbody class structures—Insanity, P90X, Core de Force and PiYo. Class will be different every time you come so new challenges will be offered every time, all with modifications so all fitness levels are welcome.

**Boot Camp Workout:** Specially designed for ALL fitness levels. This workout focuses on pushing you outside your comfort zone, past where you can push yourself. This workout uses weights, tubing, balls, discs, jump ropes, etc. This class will help you lose weight and build endurance, increase flexibility, promote better posture and improve balance.

**Cardio/Strength Interval:** Alternating cardio and strength exercises by utilizing various types of equipment. Each class will be presented in a different format, so you will always be challenged in a different way. Stretching at the end is a large focus. All fitness levels welcome.

**Core & Strength:** A whole body, dynamic but low impact class that will help target your entire core strength, front, back, sides, above and below. All fitness levels welcome.

**C.R.U.S.H NEW:** High intensity circuit based training which implements cardio and resistance in a unique and creative way. With a combination of weights, ropes and bands, this class will give you the workout your looking for. All fitness levels welcome.

**Easy Riders:** Enjoy a safe, exhilarating, fun seated cycling workout. Get set up on the bike, warm up, 30 minutes of low impact cardio with no jumps and no standing, cool down-go at your own pace and push yourself, yet feel safe and comfortable. Geared toward the beginner but all experience levels are welcome.

**Flex & Tone NEW:** Shape and tone your whole body while having fun working out to choreographed routines set to upbeat music. This class incorporates light weight training, stretching, toning exercises targeting key areas of the body to increase strength, stamina, balance and flexibility. All fitness levels welcome

**HIIT & Switch:** High intensity interval training which is safe, effective and challenging for total body conditioning. Challenge yourself through plyometrics, speed, strength, agility, and coordination. Intervals and exercises will vary week to week. Modifications are always offered which makes this class suitable for all fitness levels.

**Just Kettlebells:** This class is designed to introduce you to the foundations of Kettlebell fitness and training. This class is suited for the rookie and the veteran. This class focuses on basic technique. This is a 30 minute energy filled experience.

**Kickbox Chisel:** High energy kickboxing and cardio moves with a little funk will get your heart pumping and improve your balance, coordination and agility. Combined with strength, core and flexibility training, this class will provide you with lean muscles and functional strength. Class is appropriate for all fitness levels.

**Light & Lively:** A class for beginners & the active older adults. Class includes light cardio and exercises for fitness, strength, balance and flexibility.

**Meditation for Optimal Health:** Come to the Y's meditation class to help significantly reduce the degenerative health effects of stress. You will learn basic meditation techniques that can easily be applied to your everyday life to help improve your health and sense of well being.

**P90X:** This high intensity class offers an amazing amount of variety with each workout targeting a specific goal and focuses on agility, balance, and mobility. It combines a variety of exercise techniques, including strength training, cardio, yoga, plyometrics, and stretching. Class is appropriate for all fitness levels

**Pilates:** Condition the mind and body to strengthen the body's core unit. A series of exercises will help to develop strength, flexibility and core strength. All levels welcome

**PILOXING KNOCKOUT:** A Pilates/Boxing workout influenced by plyometrics, sports conditioning drills, and functional training to increase strength and confidence. Break some boundaries and gain results. All fitness levels welcome.

**Seniorcize:** A group exercise class designed specifically for the active older adult. The class is led by two certified personal trainers who utilize the Cybex strength equipment, hand weights, physioballs, and indoor track. Benefits from this class will include improved: strength, flexibility, balance, cardiovascular endurance, and core stability

**Short Circuitz:** An electrifying, heart pumping morning HIIT full body workout. No two mornings are ever the same. Each class will have a different frequency and duration of strength and cardio exercises. Every class is a mystery so whether is your first class or 30th, you will be equally challenged. All fitness levels welcome.

**Step n Sculpt:** Fun, athletic and dance-inspired step aerobics will stimulate your heart and mind. Total body conditioning using weights, balls, bands, etc., will strengthen your core, tone your muscles and increase your flexibility. Class is appropriate for all fitness levels.

**Strength & Conditioning:** This class alternates between free weights, exercise tubing, stability balls, or other strength training and conditioning activities.
