Young children need a more structured and nurturing atmosphere, so our Explorers follow a full day schedule of age appropriate indoor and outdoor activities, including daily swim lessons. Campers are encouraged to socialize and interact with each other during activities that help them develop fine and gross motor skills, build self-confidence and make new friends. Explorers experience new learning adventures every day!

Pioneers participate in all the traditional camp activities such as swim lessons, arts and crafts, sports, dramatic arts, nature, gardening and music, as well as some less traditional camp activities. The Camp Funshine experience teaches campers to appreciate diversity, improves their social skills and helps develop leadership skills while campers have fun making lasting summer camp memories. The oldest Pioneer group will have the opportunity to visit the SUMMER SQUAD once per session.
