

# YMCA OF MIDDLETOWN IMPORTANT ANNOUNCEMENT

**Pool renovations & more are starting soon!**  
**See below for more information:**

**Dear Members,**

We are excited to announce the start of some vital renovations taking place at the YMCA of Middletown next month. As many of you have heard, the Middletown pool will be closed for resurfacing as of Saturday, December 14. This project will take approximately five weeks.

We understand how important the pool is to so many of you, so we want to remind you that your membership includes access to the South Orange Family YMCA in Monroe where you are welcome to take advantage of the pool. To view the current pool schedule for our Monroe branch, please visit [www.middletownymca.org/aquatics](http://www.middletownymca.org/aquatics).

Your membership also includes a wide variety of group fitness classes (open to all fitness levels) and access to the wellness center, weight room, gymnasium, pickleball sessions, and more. We encourage you to explore all of these options and invite you to speak with our staff if you need help finding options suitable to your personal fitness needs as you await the reopening of the pool.

In addition to the pool resurfacing, the long-anticipated renovation of the Family and Unisex Locker Rooms will also commence in December. The exact locker room closure dates will be shared with you as soon as possible. Once the pool and first round of locker room projects are complete, our focus will shift towards some additional upgrades to the facility which will include our men's and women's locker rooms.

Be sure to follow us on Facebook: @YMCAofMiddletown and Instagram: @ymca.middletown where we will be sharing pictures and updates through the duration of the project. Updates will also be announced on our website and mobile app.

Thank you for your patience and understanding as we complete the necessary repairs and upgrades to our facility in order to continue serving you and your family for many years to come.
